JAMISON HUNTER

317.946.9563 | Indianapolis, IN | hunterjamison6@gmail.com | github.com/JamisonHunter | linkedin.com/in/jamison-hunter/

STATEMENT

I graduated from Marian University of Indiana with a degree in Mathematics with a minor in Physics. I have both tutored and taught mathematics as well as worked in police dispatch before deciding to make a career change into the field of data science and analysis. In order to accomplish this, I worked through a data science and machine learning bootcamp with Coding Dojo and received their certificate of completion.

EXPERIENCE

DISPATCHER

Marian University Police Department, Indianapolis, IN   2022 – 2023

- Worked with university security software.
- Answered emergency calls and quickly directed first responders.

MATH & SCIENCE TEACHER

LaPlaza, Indianapolis, IN   2019

- Created lesson plans for 8-12 year olds.
- Generated interest in science through project focused lesson planning.

VOLUNTEER

Indy Reads, Indianapolis, IN   2018

- Organized books for store shelves.
- Helped setup for community outreach programs.

SKILLS

Python Libraries & Frameworks: Sci-Kit Learn, Tensorflow, Matplotlib, Flask, Pandas, and others
C++ Libraries & Frameworks: Arduino, OpenSCAD
SQL Libraries & Frameworks: MySQL, SQLAlchemy

EDUCATION

DATA SCIENCE & MACHINE LEARNING | Coding Dojo   2023
B.A. MATHEMATICS | Marian University   2018 – 2022
